The Queen Sisters. The performance of this troupe last night was excellent, and those who witnessed it enjoyed a musical and dramatic feast. The singing was fine and the feats of Chinese jugglery showed the skill of an expert. Misses Julia and Laura charmed the audience with their versatile acting and were greeted with repeated applause. An

night. Funeral Service. The funeral services of Mrs. Mary B. Hunter took place yesterday morning at the First Presbyterian Church, Rev. James Park performing

the ceremony, assisted by Rev. J. L. Lloyd. A sad feature of the occasion was the baptism of the infant deprived at so tender an age of fond mother's love and care.

Accidental Death.

The Kingston Tennesseean states that a young man by the name of Watson, living near Lou don, whilst out gunning on last Thursday, stop ped in at a neighbor's house to warm, and while standing near the fire, with his gun leaning against his body, the weapon went off, lodging its contents in his side, from the effects of which he died soon after.

Died.

At 41 o'clock, A. M., yesterday, Oliver Otis, infant son of H. C. and Harriet L. Tarwater, aged ten months and eight days. After intense suffering for three weeks, the spirit was released from its little clay tenement, and sped away to Heaven. Destruction of Cotton. Last night, a little after eleven o'clock, th

alarm of fire was sounded, caused by a car load of cotton catching fire near the depot. Abou thirty bales were consumed, value approximat ing \$1,500. One entire car load was consumed and four or five bales on another. The Hool and Ladder Company's implements did good service in the hands of Messrs. Sanford, Matt Swan and others. The fire is supposed to have caught from the engine, which had an open stack. The engines were on hand and deluged the burning fabric and saved the car from being destroyed.

C. B. French, Esq., was elected Tax Collector by the County Court of Roane county on Monday, to fill a vacancy occasioned by the resignation of Capt. H. Crumbliss. The selection is a good one. Isaac A. Clark was elected Chairman of the County Court, Thos. H. Sturgis was elected Public Administrator, John M. Western Public Guardian and Col. J. T. Shelley to take the census of the voting population.

In McMinn county, on Monday, W. G. Horton was elected Chairman of the County Court; E. L. Miller, County Surveyor; Thomas Sherman, Coroner; N. J. Peters, Census Taker; W. Gettys, Public Guardian and Administrator; T. J. Dement and Nat. C. Jones, Notaries Public: Jo. J. Ivins, County Ranger.

Another Free School Meeting. The people are becoming thoroughly aroused on the free school question. Another large and

interesting meeting was held last night at Temperance Hall. On anotion, Rev. C. W. Charlton was called to the Chair, which he accepted in some well

timed remarks. Thos. A. Hudiburgh was requested to act as Secretary. Judge Houk was called upon, but excused

himself on the ground that he was unwell.

T. M. Schleier, a candidate for Alderman in the 3d Ward, was called upon, and made some remarks attesting his devotion to free schools.

John Scherf was called upon and made a few remarks, which had the ring of the true metal. He endorsed Mr. Schleier's remarks, and favored his election as Alderman.

Rev. Mr. Charlton was called upon. He urged the people to keep politics and free schools apart. Let not the cause be damaged by mixing it up with issues, upon which the people were so much divided. read and approved. Mayor Van Gilder read an address congratulating the Board on the proposed establishment of a system of free schools, as follows:

Gentlemen of the City Council:
This meeting terminates the regular business of this Council for the year 1870. The ordinance adopted at the last meeting, to be submitted to the will of the people on the 21st of this month, in reference to Free Schools in this city, as you are aware, has had my support, and meets with my entire approba-tion. Any measure that has a tendency to carry out the same to perfection-in a wise, equitable and judicious manner and give equal benefits to all-will receive my cordial support. You have laid the foundation stone for the permanant success and prosperity of our growing city. I am well assured that all good citizens will acquiesce, co-operate and yeild it a hearty

support, if its operations are confined within the limits of prudence and economy. The business operations of the year will now be submitted to you by the Finance Committee, of receipts and expenditures, and in view of the many disadvantages incident to a demoralized condition of affairs, and a heavy taxed people, a large floating debt—every dollar of which was due—and a depleted Treasury, I may congratulate you that a year of prudence and economy has enabled you to present so favora-

ble a report. Respectfully yours, JNO. S. VAN GILDER, Mayor. Alderman Mitchell, Chairman of the Finance Committee, presented the subjoined report:

To the Voters of the Third Ward. Having been solicited through the columns of

the CHRONICLE to become a candidate for Alderman for the Third Ward, I have, after personal solicitation from many voters, consented to become such a candidate. I make the race not as a party man, for I think that elections for municipal offices should be upon the merits of the candidates. I am in favor of city improvements, of an economical administration of corporation offairs, and decidedly favorable to a thorough system of public schools for the children of the city. I shall be glad to receive the support of the friends of these measures.
